DETAILED ACTION

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on September 16, 2008 has been entered.

Claims 1,4,5,8,9,14,15,19,20,23,24,27,28,30,33,34,36, and 39 are pending in the instant application.

Allowable Subject Matter

Claims 1,4,5,8,9,14,15,19,20,23,24,27,28,30,33,34,36, and 39 are allowed over the prior art of record.

The reason for allowing claims 1,4,9,14,20,23,28,30,33,34,36 and 39 have already been cited by the Examiner in previous office action mailed 3/19/08.

The following is an examiner's statement of reasons for allowance:

Regarding claims 5 and 15, the references of the Prior Art of record fails to teach or suggest the combination of the limitations as set forth in claims 5 and 15, and specifically comprising the limitation of first transparent film comprising silicon nitride, second transparent film comprising silicon oxynitride over the first transparent film and third transparent film comprising silicon oxide over the second transparent film.

Claims 8 and 19 are allowable for the reasons given in claims 5 and 15 because of their dependency status from claims 5 and 15 respectively.

Regarding claim 24 the prior art of record fails to teach or suggest the method of manufacturing a light emitting device having the combination of the limitations as set forth in claim 24, and specifically comprising the limitation of forming a first transparent film comprising silicon nitride, forming a second transparent film comprising silicon oxynitride over the first transparent film and forming a third transparent film comprising silicon oxide over the second transparent film.

Claim 27 is allowable for the reason given in claim 24 because of its dependency status from claim 24.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
